A candidate may not accept a contribution in excess of \$3,000 from any one person per election. A "person" is an individual or a corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate or other combination of individuals having collective capacity. The purchase of a ticket for, or contribution to, the campaign fundraiser is a contribution to the campaign of Gwen Graham. Contributions are not tax deductible for federal income tax purposes.

Federal law prohibits contributions received or made directly or indirectly by or from foreign nationals in connection with any election. Consistent with this requirement, I am a United States citizen or a permanent resident alien.
